

10 October 2017

Dear Parent/Guardian

Parents' Information Evening

We would very much like to invite you to attend a Parents' Information evening on Wednesday 1 November 2017.

At this meeting, we would like to share some information on the model we are currently using to assess students at KS3.

We would also like to share our emerging thinking around the way we intend to report progress to parents this year, for both KS3 and KS4 students. There will be an opportunity to feedback your thoughts on this to us.

We will close the meeting with a presentation on Show My Homework, specifically some of the interesting features of both the website and the app which parents and students are finding helpful.

The meeting will be held in the Main Hall at 5.00pm. Refreshments will be provided.

Although primarily aimed at parents, students are welcome to attend this event alongside their parents or guardians if they wish to.

We look forward to meeting you.

Yours sincerely

E O'Grady (Miss)
Assistant Headteacher

M Sulo (Mr)
Assistant Headteacher
