OTHER FEES

You may have to pay for books, equipment, materials, photocopying or certificates. Additional fees and individual course requirements will be explained in the relevant course leaflet.

- **Examination Fees** - If you join a course that leads to an examination/accreditation, you may have to pay an examination fee.

Please contact your local centre if you would like to find out more about fees and additional costs.

MINIMUM ENROLMENT NUMBER

If a course does not have enough learners enrolled it may not run. Sometimes we can run courses for a shorter period at the same cost, if all learners are in agreement.

CANCELLATION OF A SESSION

Once a course has commenced, if a session has to be cancelled due to circumstances beyond our control, every effort will be made to make up for lost time. This may mean holding the session on another day, but this cannot be guaranteed.

REFUNDS

If we have to close a course prior to commencement you will receive a full refund. If you have to withdraw from a course refunds will only be given for a serious medical reason supported by a doctor's certificate. You will need to make a request for a refund in writing, to the Head of Centre, giving the details of your course and why you are making the request. We cannot, however, refund examination fees and will charge a centre administration fee.
